

Viewpointe is committed to delivering complete, end-to-end electronic payment and digital storage solutions tailored to customers' needs.

DID YOU KNOW...

Many customers, ranging from credit unions to Fortune 100 financial institutions, trust Viewpointe with their most sensitive data and payments.

With a rich 10-year history serving fast-paced, dynamic customers, Viewpointe is a trusted provider of electronic content management and exchange solutions and services. Viewpointe has developed a secure, scalable and high-performance national archive, delivering strategic value to many of the nation's top-tier financial institutions. Financial institutions of all sizes are provided a cost-effective, end-to-end check image clearing and settlement solution, complete with regional payments association services.

CUSTOMER-FOCUSED SERVICES

With an eye toward the future, Viewpointe continues to expand its business and offer best-in-class services to customers.

OnPointe™ The Trusted Solution for Digital Storage and Records Management

The Viewpointe solution enables organizations to seamlessly offload their records management and digital storage systems in a secure, scalable and cost-effective way. OnPointe allows a company to efficiently maximize the value of its data by classifying the information and consistently implementing its business rules, supporting compliance efforts and helping mitigate risk.

End-to-end Check Image Exchange and Settlement Services

Dedicated to helping financial institutions get connected to all of the nation's endpoints, Viewpointe offers a host of solutions integral to moving the industry closer to full check electrification. Through a single connection, Viewpointe's comprehensive end-to-end solution for check image clearing and settlement offers an unmatched level of customer control. Viewpointe customers have access to one of the nation's most advanced settlement system with an average uptime of 99.99%.

Payments Association Services

Viewpointe Clearing, Settlement & Association Services provides best-in-class regional payments association services for our valued members. As a voting member of NACHA – The Electronic Payments Association, we are one of 17 regional payments associations providing comprehensive payments education, Automated Clearing House (ACH) audit services, risk management services and access to discounted industry publications.

Viewpointe continues to expand its business and offer best-in-class services to customers.

WHY VIEWPOINTE?

Partner with Viewpointe to benefit from:

Proven Performance, Security and Recovery

Outstanding capacity, retrieval speed and exchange performance levels are best-in-class and reliable – whatever the size of the organization.

Customer Service

We anticipate and exceed customer needs. Delivering services that provide efficiency and value is the hallmark of Viewpointe. Valuing customer feedback, Viewpointe will continuously work with customers to ensure we are meeting their needs.

Cost

Predictable and easy-to-understand costs through pay-for-what-you-use model, offering the most competitive, unit-based pricing in the market.

Experience

Viewpointe is a trusted partner to many of the largest U.S. financial institutions, storing some of their most sensitive data; and through end-to-end check image exchange and settlement services, Viewpointe helps financial institutions get connected to all of the nation's endpoints.

Quality Products & Services

Manage and access your digital records, according to your wishes. Use one connection to manage all exchange relationships. And, as an association member, you can be confident you have access to best-in-class regional payments association services.
