CERTIFICATION AND PREPARATION PROGRAMS**Check Certification (10 online sessions)**

Viewpointe's Check Certification Program will guide participants through the entire check processing cycle and explain the rules that apply to checks, including Regulation CC and check adjustments. In a series of 10 webinars, the latest initiatives and innovations in the check industry are addressed, as well as information about payments system fraud activity.

ACH Certification (12 online sessions)

Viewpointe's ACH Certification Program is a comprehensive series of webinars designed to help participants understand how the ACH system functions from both the originator and receiver perspective. Throughout the 12 sessions, students will learn how the ACH system is being used in the business world and will be exposed to the ACH Rules, including Federal government regulations.

Accredited ACH Professional (AAP) Preparation (3-day, in-person program)

This in-depth program is designed for those preparing to take the AAP Certification exam sponsored by NACHA. An AAP is an individual who has a comprehensive knowledge of all areas of ACH, a deep understanding of and experience in one or more specific ACH subjects, and a broad knowledge of concepts that relate to the payments system as a whole.

VIEWPOINTE'S EDUCATION CLUB**Discounted Pricing for Viewpointe Association Members**

All Viewpointe Association members receive discounted pricing for training and education classes. To save even more, you can participate in our Education Club, which provides an additional 10-35% discount when you pre-purchase training in packages of 10, 15, 25 or 50 classes.

For more information or to participate in our **Education Club**, visit us online at viewpointe.com.

In 2010, less than half of those taking the AAP Certification exam passed. However, 100% of the exam candidates who completed both the VPCS&AS ACH Certification and the AAP Preparation programs passed.
