

IMAGE EXCHANGE AND SETTLEMENT

Just One Connection to an Extensive Network

BENEFITS

COST REDUCTION

Avoid the hassle and high cost of network exchanges, upgrades and technology refreshes.

CONVENIENCE

Connect to all the nation's endpoints to conduct image exchange and settlement in one convenient place.

CUSTOMIZED TO YOUR NEEDS

Easily tailor check image presentment and settlement processes to meet your business needs.

SOPHISTICATED SETTLEMENT SYSTEM

Access the nation's most advanced settlement system to perform up to 24 exchanges per day and take advantage of true same-day settlement opportunities.

Demands for lower cost, faster settlement response and improved flexibility is a requirement for most financial institutions. Viewpointe addresses those needs by helping to provide a seamless, cost-effective solution across multiple-payment providers.

Viewpointe® enables financial institutions of all sizes to fully automate the check image exchange and settlement process. With our solutions, you minimize the hassles and high costs of network exchanges, upgrades and technology refreshes and enjoy the ability to tailor check image presentations to your specific needs. When you exchange your check images with Viewpointe, you'll experience best-in-class technology and predictable, pay-per-use pricing.

No matter your institution's size or solution requirements, our image exchange network can fit your needs – all with one connection. We provide you with a secure, cost-effective and efficient means of exchanging check images through our hub-and-spoke network, using a dedicated circuit or an Internet connection.

Image exchange customers can solely use our clearing service or enhance it with our fully integrated settlement system and/or payment archive.
